### Building Better Lives

NAMI is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness.

What started as a small group of families gathered around a kitchen table in 1979 has blossomed into the nation's leading voice on mental health. Today, NAMI unites the power of thousands of local affiliates, state organizations and volunteers to realize our vision.

We believe that recovery is possible, lives can be restored, and families made whole. Together, we make it happen.

## What We Do

NAMI works to inspire a move away from illness, stigma and ignorance toward brighter days filled with hope, health and recovery.

**We educate.** Offered in thousands of communities across the United States through NAMI State Organizations and NAMI Affiliates, our education programs ensure hundreds of thousands of families, individuals and educators get the support and information they need.

**We advocate.** NAMI shapes the national public policy landscape for people with mental illness and their loved ones and provides volunteers with the tools, resources and skills necessary to promote mental health in all states.

**We listen.** Through the toll-free NAMI HelpLine, we respond to thousands of requests each year and provide free referrals, information and support—a much-needed lifeline for many. Just call 1-800-950-6264.

**We lead.** Awareness events and activities, including Mental Health Month, Mental Illness Awareness Week and NAMIWalks successfully fight stigma and encourage understanding. NAMI works with the media and policymakers to make sure our country understands how important mental health is.

**You are not alone.**
